RE: Joint Venture Expenditure Audit  
South Timbalier 59 #1 Well  
Audit Period: Inception – December 2014  
Apache Audit # 15.2.43

Dear Mr. Bosch:

Apache Corporation has completed our review of LLOG's responses relative to the above referenced audit report. We have reviewed the additional information provided relative to exception number B1 and now consider it closed.

We now consider this audit closed. I would like to thank you for your diligent efforts to bring closure to this audit issue.

Sincerely,

A handwritten signature in blue ink, reading "Ira Krottinger".

Ira Krottinger  
JV Audit Manager
